Range Rover Sport SC shown with 22" Monoblok™ RR58

HRE's Monoblok™ Series in 22" presents the the ultimate enhancement for first-class grand touring in your Bentley, Range Rover or Cayenne. Crafted from 100% forged 6061-T6 Aluminum,

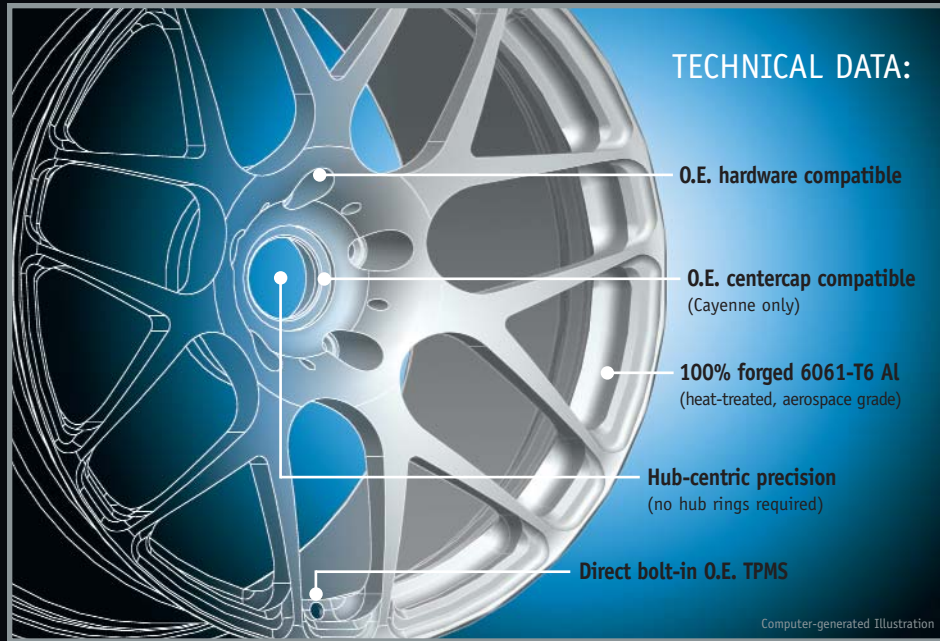

the Monoblok Series is engineered to maximize strength, minimize unsprung mass and reduce rotational inertia. Luxury styling meets uncompromising performance in Monoblok 22" wheels.

HRE

Monoblok™ 1-Piece Forged Series

Monoblok™ 1-Piece Forged Wheels in 22": Luxury meets Performance.

Engineered Specifically for Your Vehicle: Forged Monoblok wheels are precisely engineered as a model-specific fitments with the perfect offset and hub-centricity for your vehicle. Monoblok features direct bolt-in factory TPMS and hardware compatibility.

High-Strength Forged 6061-T6 Aluminum: Monoblok wheels are crafted from 100% forged 6061 heat-treated, aerospace grade aluminum. This enables HRE engineers to achieve low inertia weight and maximum strength; critical for ensuring enhanced performance for your vehicle.

Your Choice of Finishes: The Monoblok Series offers a choice between two high quality standard finishes to match your unique style. Choose from HRE's famous Brushed Aluminum with clear coat or Chrome. Call for custom options such as powdercoat or custom colors.
