Monoblok™ 1-Piece Forged Series

# Monoblok™ 1-Piece Forged Wheels: Precision, Performance and Style.

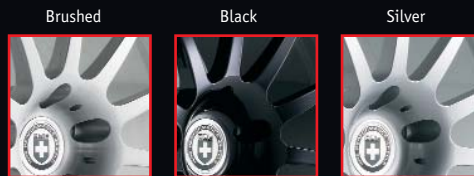

*Engineered Specifically for Your Porsche®:* Each Forged Monoblok wheel is precisely engineered as a model-specific fitment with the perfect offset and hub-centricity for your Porsche®. Direct bolt-in factory TPMS and the ability to utilize factory caps and lug hardware complete the package.

*High-Strength Forged 6061-T6 Aluminum:* Monoblok wheels are crafted from 100% forged 6061 heat-treated, aerospace grade aluminum. This enables HRE engineers to achieve low inertia weight and maximum strength; critical for ensuring enhanced performance for your Porsche®.

### Your Choice of Finishes:

The Monoblok Series for Porsche® offers a selection of four standard finishes to match your unique style. Choose from HRE's famous Brushed Aluminum with clear-coat, Gloss or Satin Black powdercoat, or our Brilliant Silver metallic powdercoat. Call for custom options such as Chrome or custom colors.

**19"** & **20"** for 911™ (Narrow- & Wide-body)

**22"** for Cayenne™ (Base, S & Turbo)
