

ABT A6 LIMOUSINE / AVANT

ABT®

THE ABT AS6.

PEAK PERFORMANCE IN THE LUXURY CLASS.

From the very moment it rolls off the production line by Audi, the Audi A6 well and truly makes an impression. Large, elegant and self-assured – wherever it puts in an appearance this luxury class sedan car is master of all it surveys. And when tuned by ABT it dominates its competitors virtually at will: Dynamic bodywork components and impressive power output figures leave no doubt as to who is leading the field and setting the standards. The epitome of automobile sovereignty.

300 HP, 600 NM ABT AS6

AUDI A6 (TYP 4F)	SERIES	ABT PERFORMANCE
ABT POWER		
2.0 I TDI	103 kW (140 hp), 320 Nm	125 kW (170 hp), 370 Nm
2.7 I TDI	132 kW (180 hp), 380 Nm	169 kW (230 hp), 450 Nm

3.0 I TDI	171 kW (233 hp), 450 Nm	200 kW (272 hp), 550 Nm
2.0 I T-FSI	125 kW (170 hp), 280 Nm	147 kW (200 hp), 300 Nm
2.0 I T-FSI	125 kW (170 hp), 280 Nm	177 kW (240 hp), 330 Nm
ABT POWER S		
3.0 TDI	171 kW (233 hp), 450 Nm	220 kW (300 hp), 600 Nm
2.0 T-FSI	125 kW (170 hp), 280 Nm	199 kW (270 hp), 350 Nm

BASIS: AUDI A6 3.0 I TDI; 133 hp, 450 Nm

ABT BR sports wheel.
Diamond-machined or high-gloss polished, with optional concealed valves, weight optimized and providing perfect handling.

ABT AR sports wheel.
Diamond-machined with exclusive finish. Optimized in weight, painted anthracite. A class of its own.

THE ABT AS6.

ABT rear spoiler for Audi A6 Avant. Dynamic and unobtrusive elegance.

ABT rear skirt set. Including ABT 4-pipe rear muffler

ABT aluminium pedals. Matt anodized and with engraved logo.

ABT rear spoiler for Audi A6 sedan. Dynamic and tasteful elegance.

ABT front skirt and front grille. Gives exclusive sportiness its distinctive character.

MORE POWER. MORE FUN. GUARANTEED.

ABT ENGINE TECHNOLOGY

The requirement to bring out the best in every engine is part of ABT's family tradition. Whether the task in hand is chip tuning (**ABT POWER**), optimization of the motor management plus turbo charger (**ABT POWER S**) – where performance upgrades are concerned we are in our element and clearly the world's number one for cars by the VW group. Thanks to the experience we have acquired in our many years of professional racing, we are aware that not only power is important, but also durability.

Im Umfang der Werksgarantie bis zu 100.000 km
Garantie
mit Jahr-für-Jahr-Verlängerungsoption

ABT AERODYNAMICS

If you rate extraordinary dynamics as high as individuality, then you have found the perfect pit crew in the ABT team. Our designers, engineers, technicians and model makers work hand in hand, and the result is definitely highly respectable: a tuning program developed by our company, from the front grill to the rear wing, which we can use to transform your series production vehicle into an impressive character performer.

ABT EXHAUST TECHNOLOGY

Impressive power is turned into optical and acoustical enjoyment: Thanks to extensive development work and double-walled stainless steel design, ABT exhaust systems and rear mufflers always put on an impeccable performance. The particular masterpiece: diesel rear mufflers specially designed for selected cars which make the diesel models' usually rather subdued voices considerably more impressive.

ABT SUSPENSIONS

It is only the right suspension that makes higher engine power pure pleasure. Also in this field we bring our entire racing experience and hence absolute cutting-edge technology onto the road. ABT suspension springs lower the vehicle and provide for dynamic looks and more stable road holding. In addition, ABT adjustable sport suspensions can be adjusted in height and, depending on the version, also in rebound and compression. The new highlight is the revolutionary ABT ISC suspension (Intelligent Suspension Control). The ISC shock absorbers automatically identify the current road conditions and adjust within split-seconds to your individual driving style.

ABT BRAKES

Driving in a sporty way is great fun but only if you know for sure that any time you want you can bring your car to an immediate standstill. ABT steel-flex brake lines are tested constantly under severe conditions and therefore provide this feeling of certainty. With an ideal pressure point, excellent regulable application and an optimal braking distance – but with significantly less fading, in other words: no decrease in braking power under long-term stress. Thus, ABT brake systems bring everything reliably to a standstill. Except, of course, your driving pleasure.

ABT SPORTS WHEELS

Elegant or dynamic, modern or classical, silver or titanium – but always professionally balanced down to the last detail as far as weight and handling are concerned – ABT sports wheels perfectly round off the individual performance of your car. After all, they clearly show at a glance that they conform with the highest of demands both on the road and on the racing track and that they do not only look good but also want to be driven.
